OF THE
WASHINGTON HIGH SCHOOL
WASHINGTON PA.

FOREWORD

In the pages which follow, we have attempted to preserve in picture and in print something of Wash High as we have known her this past year. If in future years a word herein suggests a happy memory or a face recalls a friend; if a scene revives old surroundings or a snapshot brings back a vivid incident of these student days; then this book shall have accomplished its purpose.

In the main office, we find!

Excused, or unexcused . . . that is the question decided by Mr. Kelley and Mr. Amos when students are tardy.

Miss Riggle—the solution to all our school problems

Miss Andrew — our telephone voice!

Mr. Amos—our home and school visitor

Miss Miller — our chancellor of the exchequer

Miss Hall—our checker of absentees

EDUCATION FOR HEALTHY LIVING

Pennsylvania has taken a forward stride to assure more of our young people of healthier, stronger bodies. Our recent School Act #425 provides a complete physical examination every two years for each student and each school employee. This examination will detect many physical defects which can be treated by family physicians before they become severe handicaps.

The cooperation of parents, teachers, and pupils will make this program a success.

We owe the success of our well organized health program to our school nurse, Ocie Frye; to our Medical examiners, Dr. Guy Patterson and Dr. Ellenetta Noble; to our Dental examiner, Dr. F. C. Weller; and to our Dental Hygienist, Bessie Marie Brightbill.

Bessie Marie Brightbill, Dental Hygienist

Ocie Frye, School Nurse

Dr. Weller examines a student's teeth.

"I say, can you hear me?"

Dr. Patterson tests the hearing of a 9th grade student.

THE SENIOR CLASS

We are the Class of 1948—this is our class, this has been our year. We, as a class, have traveled along the same road for five years now. Some of us have gathered many honors along the way, others only a few. We've worked on dance committees, class committees; we've sung in assemblies together; we've had parties together; we've gone to a hundred and one sports events together; we've gone to dances together; we've watched the transition in one another from the time we were little 8th graders—awed at the greatness of our building—to the present time.

Now, we were the Seniors. This was a little difficult to realize at first, for we felt no older and not very much wiser, but now we were the

Senior leaders, and four classes were looking to us to follow. So we did our best to be leaders.

Again this Senior idea "hit" us—for we were doing so many things for the last time; our last class; our last pep assembly; our last football game; our last Spring play. Then the last minute rush of writing final papers—last tests—and the bliss of Senior vacation. Then we were together as a class for the last time as we marched proudly up to where Mr. Knestrick, President of our Board of Education, handed us our diplomas with congratulations. We walked back to our seats. We smiled a wistful but happy smile. We were the Senior Class of 1948.

CLASSES

Eugene Conklin, Gerry Dagg, Marian Henry, Albert Cummins

THE JUNIOR CLASS

We are the Junior Class. Our day of glory came when Mr. Lowry gave the green light for us to organize and elect our class leaders. For president we chose Eugene Conklin. Albert Cummins as vice-president, Gerry Dagg, secretary, and Marian Henry, treasurer, completed the list as officers for this illustrious class, which points to the best in classes yet to be graduated. Through our participation in class and school activities, we're trying to make that statement ring true.

Through the efforts of our officers, we have become more than a group of students who hap-

pen to graduate in the same year. We have become an important unit—pulling together and having fun doing so.

Our first aim was to establish a sizable bank account. We became money mad. We sold pop, potato chips, candy, and hot dogs to make this possible. Our next addition to the bank account was the Junior Prom—at which event we elected a May Queen.

It's been a busy year, and one which we of the Junior Class will always remember as being closely linked with our happiness as students of Wash High.

OUR FOOTBALL HEROES

VARSITY FOOTBALL TEAM — COACHED BY HANK DAY

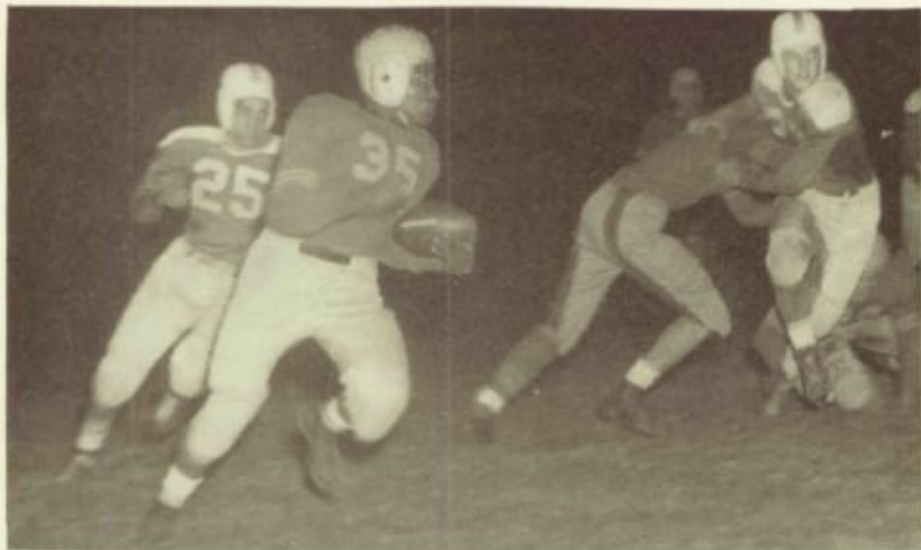

BASEBALL TEAM — COACHED BY WILLIAM McGLUMPHY

Aided by the stellar pitching of Bill Craig and some fine relief work by George Taylor, the Little Prexie baseball team enjoyed a commendable season of nine wins, three losses, and two ties. George Barlow, Prexie catcher, sparked the hitters with an average of .468 while compiling a total of 165 putouts for the season. Fine performances must also be credited to Ivan Forgie, outfielder, Glade Eakin, outfielder, and Don

Wines, who despite a slow start, finished the season with a show of timely base hits.

A further highlight of the season was the signing of Bill Craig by the Pittsburgh Pirates Professional Baseball Club. He is to report to one of their minor leagues for spring training, and it is certain that the school and townspeople as well will be wishing him the best of luck and continued success.

FOOTBALL

JUNIOR HIGH FOOTBALL TEAM—Coached by Guy McCarrell

RESERVE TEAM—Coached by Reed J. Dunn

FOOTBALL SUMMARY

As the cooling breezes of September swept across the athletic field, Coach Hank Day issued his call for football candidates. Approximately 230 boys responded. Equipment was given out, and in a few days the booming thud of punts and the systematic count of future gridgers going through their calisthenics echoed across the field. In a few short weeks Coach Day and his assistants had moulded a squad of gridmen who were to carry the Blue and Black colors through a grueling ten-game schedule.

Wash High opened the 1947 season against the Canonsburg Gunners and humbled them by a score of 13 to 7. Lahosky threw the winning pass to Sorice, and Frye split the uprights for the final score of the game.

But our victory was short-lived. For the next week, the power-laden Monessen team snapped the winning streak by a 20-0 victory over the Little Prexies.

With a record crowd of 13,000 cheering fans looking on, Washington came from behind in the last quarter to edge our crosstown "cousins", the Trinity Hillers, 20 to 15, at the Stadium, September 19. Hank Day's little Presidents, with nine points scored by Trinity in the first 30 seconds of the game, struck back in the first quarter with 7 points. Later touchdowns by Watson and Frye brought the score to 20 and a second victory for Wash High.

The next week found the Daymen journeying to Monongahela where the under-rated Wild Cats clawed out a 13 to 6 victory at the expense of Wash High.

Still feeling the sting from the Monongahela upset, the Little Prexies played host to McKeesport. The Tubers started a touchdown parade early in the first quarter, and the final whistle showed a score of 61 for the Tubers and 7 for the Little Presidents.

For the next encounter, the Daymen traveled to Charleroi where they fell victim to a "blitzkrieg." Unleashing hidden power, the Charleroi team rolled over the Wash High team by a score of 33 to 6.

Friday, October 17 found the Little Prexies boarding a bus for a trip to Erie East. Striking early in the game, the Daymen sported a margin at the conclusion of the first half, but were unable to hold the lead down and went down to defeat at the hands of Erie East, 18 to 14.

Old Man Defeat still sat on the Blue and Black bench, for a powerful Brownsville eleven held the Daymen to a virtual standstill—with their passing attack netting them 4 touchdowns, and making the score 41 to 0.

Donora was our sixth straight set-back when the strong machine of the River Rats began to roll, for they outplayed the Blue and Black to the tune of 39 to 13.

Not even the cold spraying drizzle prevented the Wash High fans from enjoying the last game of the season with Mt. Lebanon, for Lady Luck smiled upon the Daymen. The field was very wet, but by utilizing a passing offense, Wash High came to the fore in the final quarter to tie the "Mounties" 7 to 7.

For their services under the Blue and Black banner on the gridiron 22 varsity gridgers were rewarded with the "W". Among this group were 18 seniors who hung up their cleats.

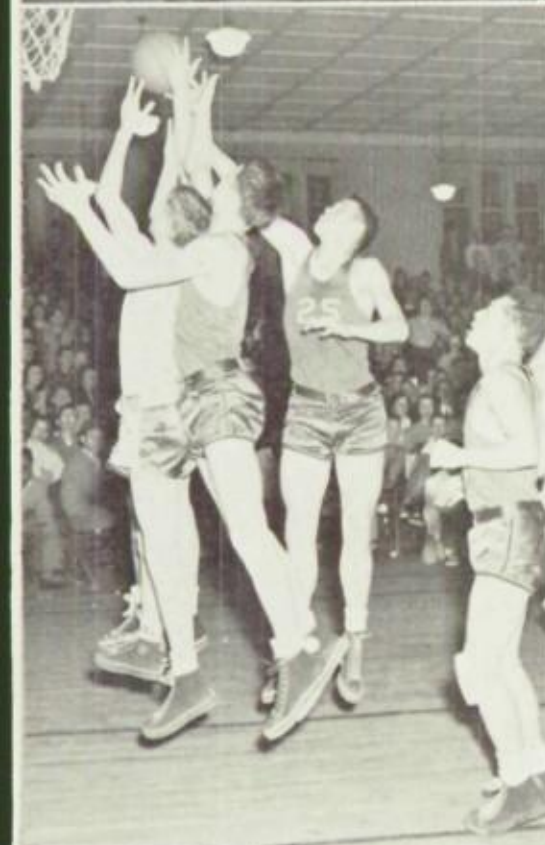

Honors came to Wash High gridgers, for Joe Nicolella and "Doc" Watson were chosen on the sports scribes annual second team, All Big Six, an honor well deserved by both of them. Joe Nicolella was listed among the honorable mention of the Post Gazette, All WPIAL teams. The record shows that Bill Frye made 9 out of 13 placements attempted this year. One would have to travel away back to find a Wash High man kicking this many extra points.

BASKETBALL

Scoring a total of 906 points in 22 games to 806 for their opponents, the Wash High cagers enjoyed one of their best basketball seasons, with a record of 16 wins and 6 losses for the 1947-'48 season.

Opening against Connellsville on the home floor, Coach Laughlin's Little Prexies got off to a good start with a 45-30 victory over the Cokers.

The first defeat of the season came when the Laughlin men ran up against a powerful Donora team in the latter's gym. When the final whistle blew, the score stood 50-28 in favor of Donora.

The next five games with Waynesburg, Monessen, Charleroi, Irwin, and the Alumni proved the real worth of the team, for Wash High emerged victorious in all five contests.

Going into league competition, the first game with Dormont on the home court was won in an overtime period by a 46-42 score. Brentwood, the next opponent, proved too much for the Little Prexies, however, for the tall lads from Brentwood administered the third defeat of the season—56-25.

January 27 found almost the entire student body crowded into the Trinity gym for the first of a two-game series with the Hillers. Seesawing back and forth for four periods, with the lead changing hands 13 times, Trinity came out the victor by a 45-44 count.

Playing a return game with Dormont on the Dormont court, Wash High's squad again proved its superiority with an easy 41-24 win, only to drop the next game to the towering Brentwood team 51-35. Clark, Baldwin, Mt. Lebanon, and

Canonsburg became the next victims of the Little Presidents of Wash High.

Hot for revenge for their previous defeat at the hands of the Trinity five, the Laughlin quintet met the Hillers on the Wash High floor, and out-passed and out-played them to take a 49-31 victory from their rivals. This was the final game of the season.

Marion Levers, a junior, was high point man for the season with 230 points, followed by Jim Decker, a senior center with 214. Bill Simpson, also a junior, was third with 172.

Missing from next season's line-up will be the three seniors—Jim Decker, Paul Frye, and Harry Haas. Decker's and Frye's ability to take the ball off the bankboards and Haas' clever ball handling will not be easy to replace.

The all-sophomore reserve squad, after losing three of their first five games, picked up steam and won the next 17 games to end the season with 19 wins and 3 losses. These boys earned a lot of credit for their scrappiness and adept passing ability. Kenneth Liggons was leading scorer with 163 points, followed by Charles Thomas with 161, and George Dean with 111. The starting team consisted usually of Liggons, Dean, Knestrick, and Moore, with Cain and Balent coming in for their share of playing.

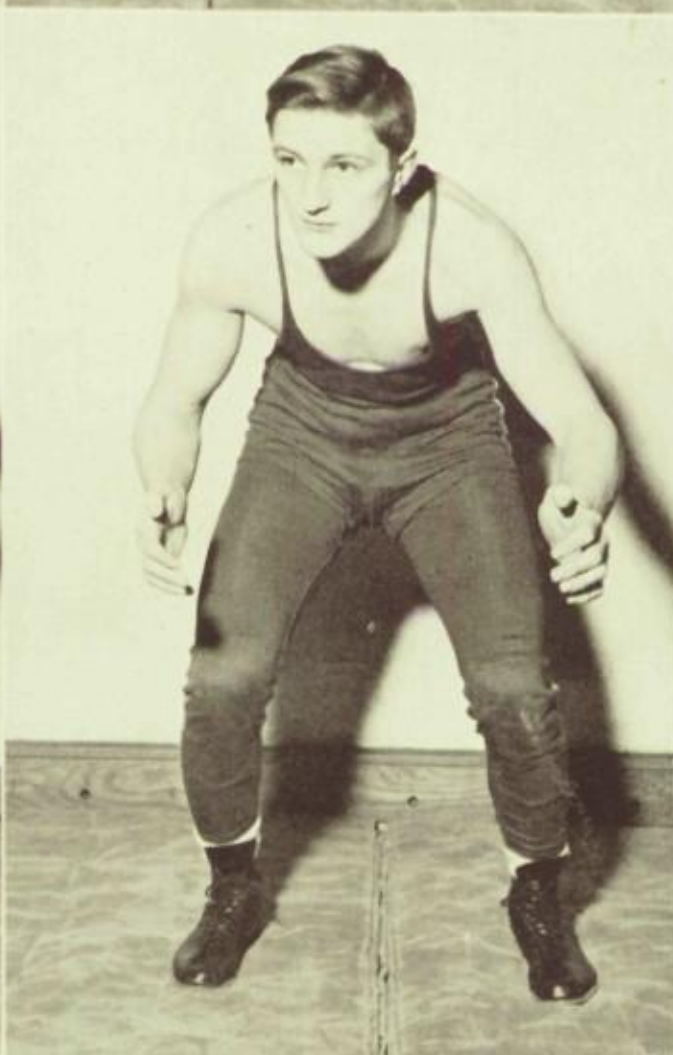

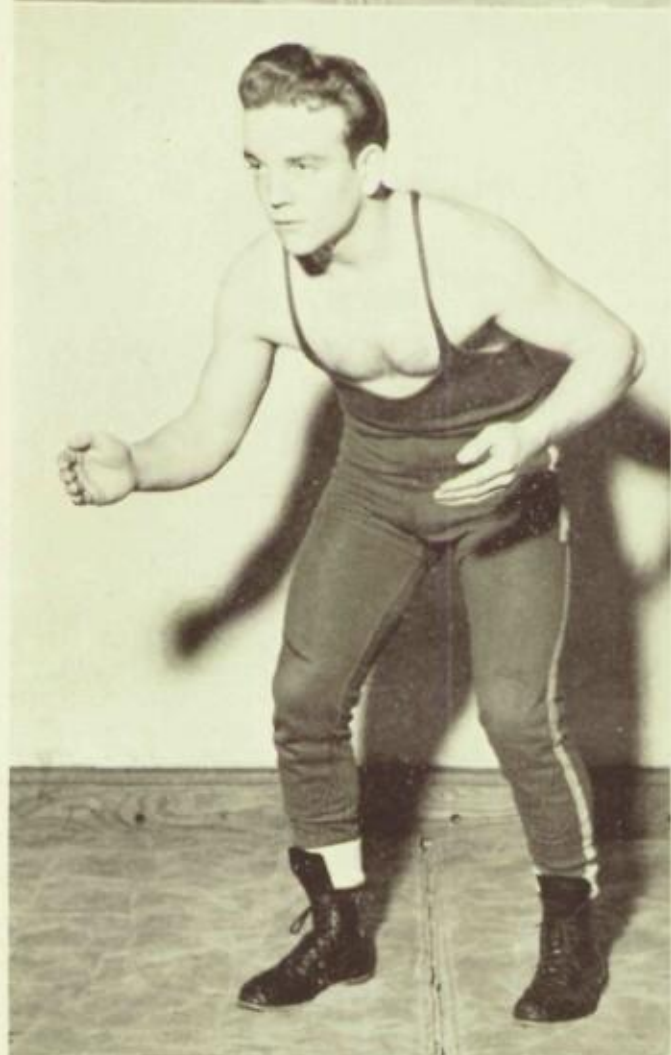

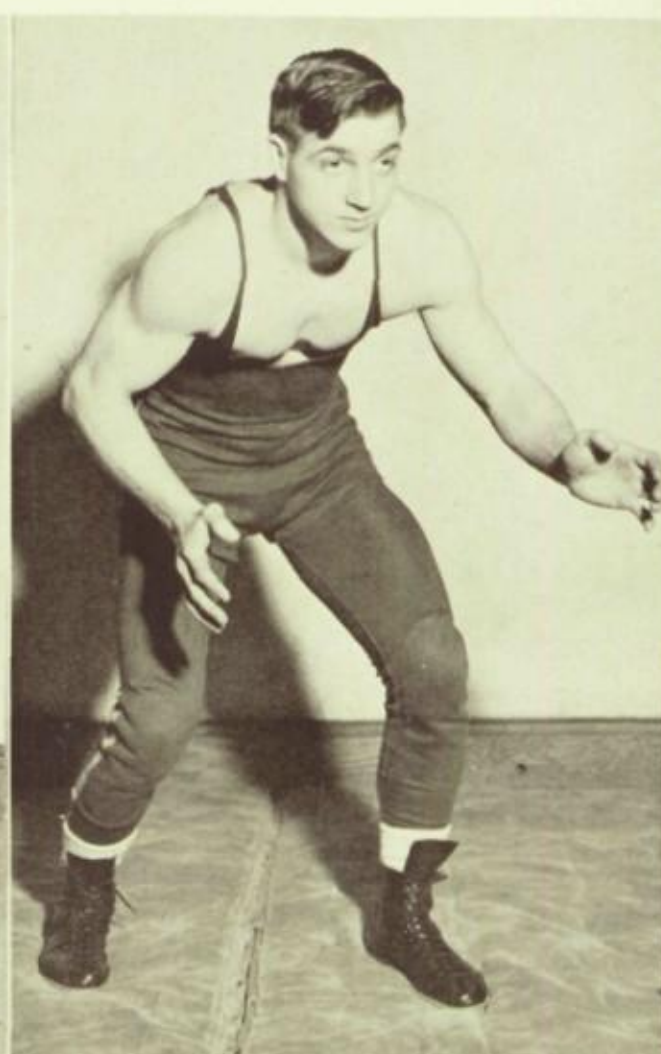

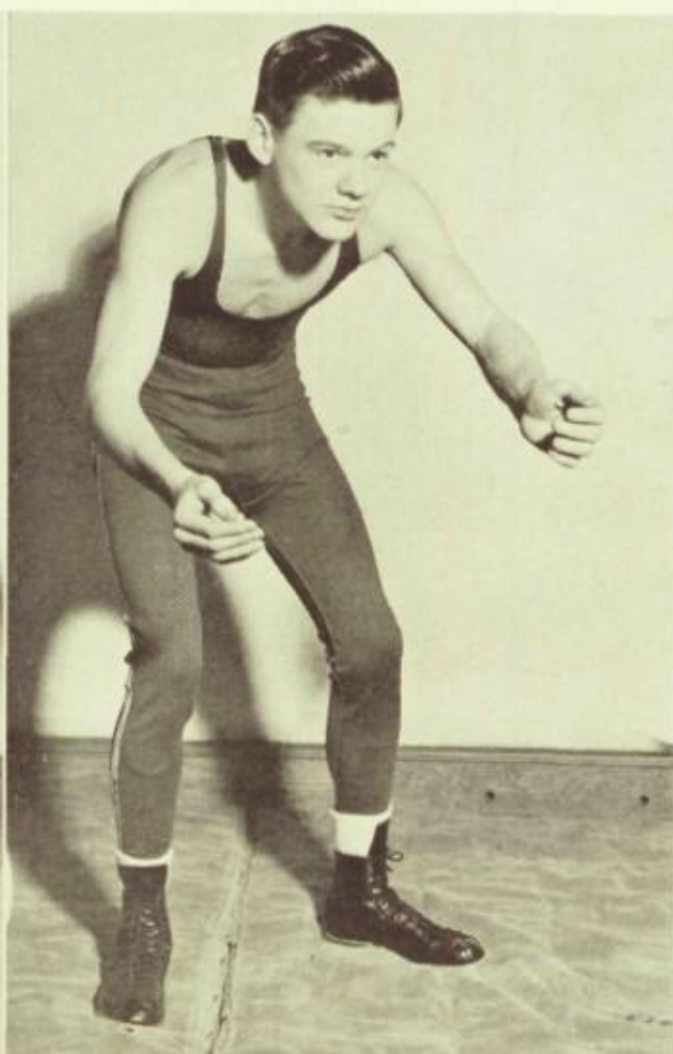

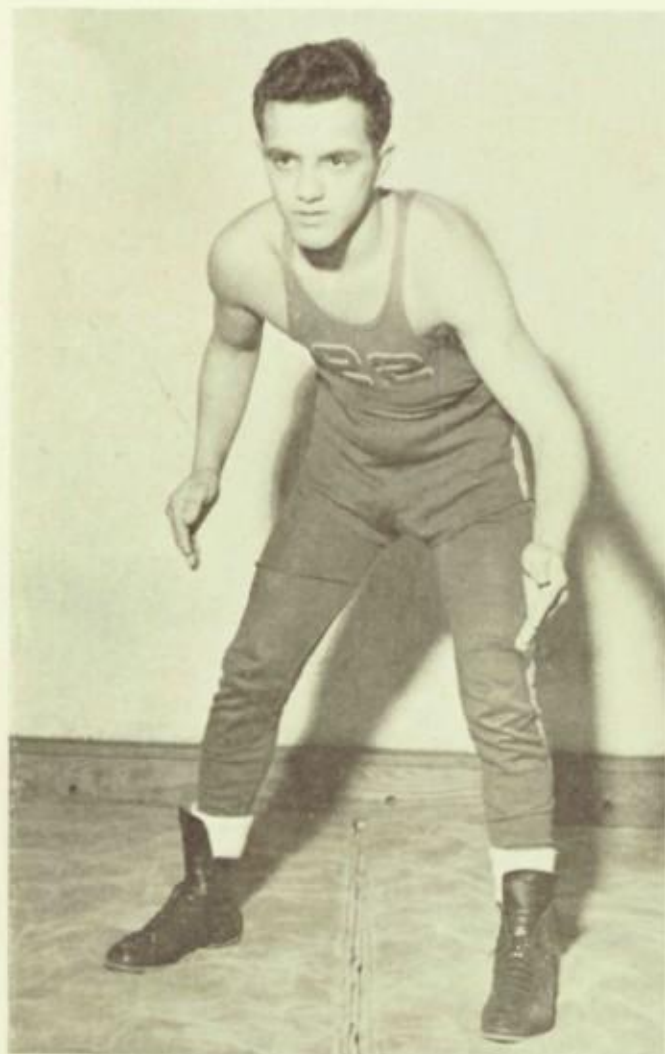

Back for varsity competition next year will be four lettermen: Bick, Levers, Malone, and Simpson, with two other boys—Connolly and Henry fighting for positions. This situation, with all the reserve team being Juniors next year, should lead to keen rivalry for starting positions on the varsity.

WRESTLING SUMMARY

The Washington High School wrestling team this season realized the dream of all coaches when it completed a 13-match schedule with an undefeated, untied record. From the very start "Doc" Harris, wrestling mentor, took an optimistic view of the season, for with eight lettermen from last year plus capable substitutes, the outlook was good.

The opening match with Jefferson in the Wash High gym brought the first victory. Then followed four matches with Waynesburg, Chartiers, Jefferson, and Trinity—all "away" matches, and all keeping the winning streak intact for the Little Prexies.

Next came the meet with Canonsburg in the Wash High gym before a crowd of 1600. This was a thriller, not decided until the final match, and annexed the Wash High grapplers their first victory over the Gunners. The big feature of the evening was Jack Church's amazing defensive battle against Canonsburg's 165-pound WPIAL titlist, Addis. Church, who weighed only 127 pounds, brought rounds of applause from the crowd, who realized the weight difference and Jack's struggle for victory.

February 6 took the wrestlers to Greensburg where they made it seven in a row with a 14-3 victory. Tony Gizoni carried his feud with Bill Grim into the fourth year and came out the winner by a fall. Ianni and Petronka also scored pins.

In a return match with Trinity, Washington demonstrated power in the heavier weights to top the Allison-coached matmen by a score of 10-5. Funk and Ianni registered falls in this meet between the two schools.

Petronka, Gizoni, and Lahosky provided the victory of 10-6 over Waynesburg in the next contest. All three succeeded in pinning their oppon-

ents, before an enthusiastic crowd in the Wash High gym.

Winning every match, the Little Prexies annexed a 16-0 victory at the expense of East Pike Run, for the 11th victory of the season. Three falls were recorded by Young, Laurine, and Lahosky.

The Canonsburg gym was the scene of the return match with the Gunners. Competition was keen, but the final gong showed Wash High the winner by a count of 12 to 7. Falls were scored by Gizoni, Wilson, and Lahosky.

March 2 brought the final match of the wrestling season, and with it the 13th straight victory for the Wash High grapplers. The Little Presidents turned back the Sawhill team 15-4 with five falls and five decisions. Miller decisioned Seamon for the latter's first loss of the season, a feat performed also by Lahosky, who pinned previously unbeaten Trombetta.

Climaxing the season was the WPIAL Wrestling Tournament, staged in the Wash High gym on March 5 and 6. Miss Thelma Ritchie, a senior, was chosen Queen of the Tournament, and with her attendants—Jo Ann Fox, Alma Zenner, Shirley Chipps, and Jenene Stahlberg, reigned over the Saturday night finals. Farrell and Washington tied as winners of the WPIAL Tournament, with four of the Blue and Black entries—Gizoni, Miller, Funk, and Laurine becoming the representatives of Wash High at the state finals at Kingston.

Gizoni and Laurine became state champions at the Kingston all-state tournament March 12 and 13, putting Washington in a tie with Clearfield for state title.

This year six men will be lost through graduation: Church, Funk, Gizoni, Laurine, Lahosky, and McDonough.

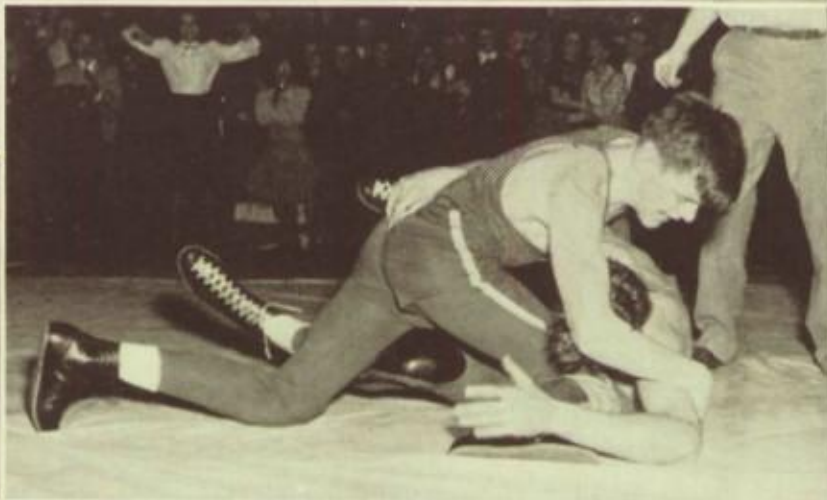

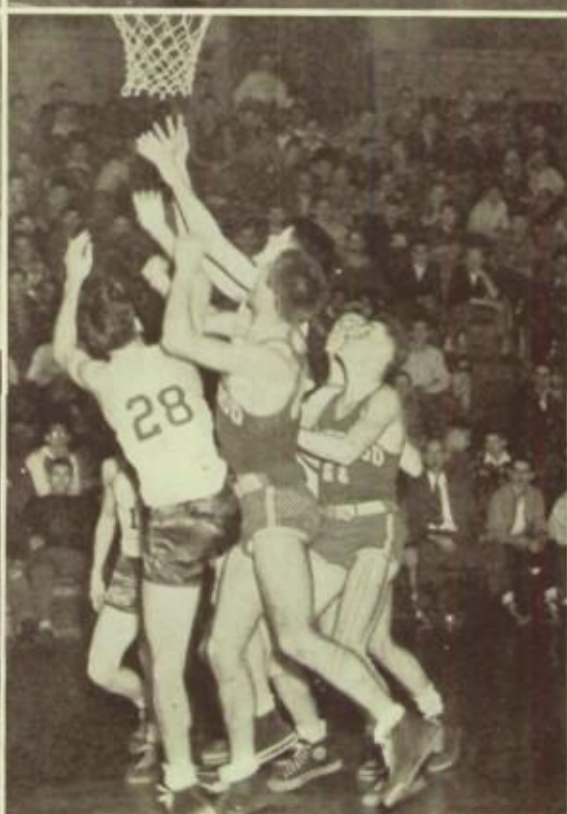

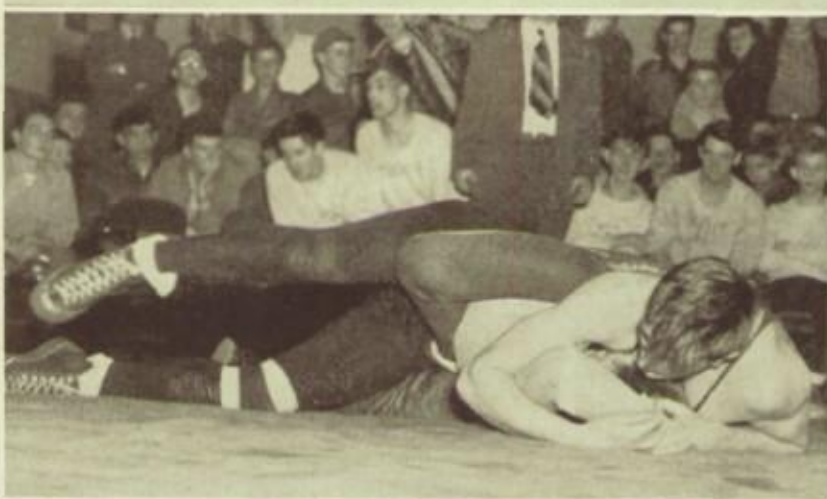

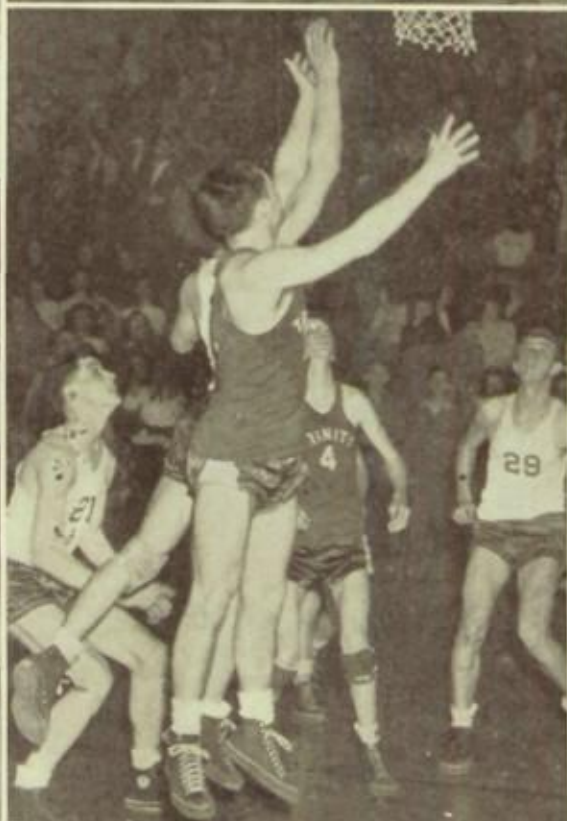

TRACK

Cleated shoes, and the sound of running feet on the cinder track—a sure sign of Spring! Coached by Phil Berry and Guy McCarrell,

our track teams of 1947 participated in several meets, including our Annual Invitational Meet at the Stadium in which 22 schools took part.

OUR WINTER SPORTS WHIRL

ACTIVITIES

ACTIVITIES

From the crowded activity of the dance floor to individual participation in forensics, the high school student's life is made up of committees, plays, athletics, and clubs—all bringing about the development of a more versatile citizen—one more able to occupy his place in community life. Each activity molds him into a more responsible person. Each day brings a new lesson in cooperation, a new understanding of sportsmanship, and a better conception of the American way of life.

Our clubs are formed on mutual likes, friendships, and desires. The members are individuals who want to share their ideas, dreams, and plans for the future together.

Some groups stress scholarship, leadership, character, service, and keep these virtues high. Others stress friendship and cooperativeness. All bring fun and happiness into our lives. We get many wonderful memories to carry with us through our lives. We study at school—but we have our fun. A part of Wash High—our Activities.

SENIOR Y-TEENS

The Y-Teens, formerly called Girl Reserves, have become well known in the community. A variety of subjects were used as topics for meetings: co-ed discussions, religious discussions, and etiquette. The programs included guest speakers, covered dish suppers, a weiner roast at Camp Adlawan, and in the spring, a banquet to honor the members of the club who were in the graduating class. The club participated in the annual Christmas formal, and in all the activities planned and conducted by the Inter-Club Council. The purpose of this club, as of all Y-Teen Clubs is: "To face life squarely, to find, and to give the best."

The enrollment of the club is 145 members, consisting of 11th and 12th grade girls. They meet Wednesday evenings at the Y. W. C. A.

EIGHTH GRADE Y-TEENS

The Eighth grade Y group meets the first and third Tuesday of each month after school at the Y, under the capable leadership of Miss Doris McNary. This active group, interested in raising money, sold Christmas cards and sachets. Their activities included a weiner roast at the Washington Park, a swimming party at the Y, and an educational series, conducted by ministers of Washington on the subject of religion.

NINTH GRADE Y-TEENS

This Y group has as its purpose, the enrichment of the cultural, spiritual, physical, and mental welfare of the teen-age girl. With Miss Eliza Grable as sponsor, their activities included swimming and bowling parties, group meetings with guest speakers, and discussions. This club, interested in making money for their contribution to the new Y. W. Camp, and also to the International organization of Y-Teens, sold Christmas cards and sachets. At Christmas time, they prepared baskets of food for needy families.

TENTH GRADE Y-TEENS

The theme of the Sophomore Y-Teens is "Me, Myself, and Others." They meet at the Y on Tuesday afternoons, for interesting meetings, planned by the club program chairman, Joanne Ross. Plans for raising money included a bake sale. This group is sponsored by Miss Dorothy Bryson.

MODERN FOREIGN LANGUAGE CLUB

This club, sponsored by Miss Teresina Marino, was organized for the purpose of creating interest in the languages and peoples of other countries. Its membership is open to both French and Spanish students, and meetings are held once a month. The program sometimes centers around the world situation, or it may consist of a game or skit in French or Spanish. The Christmas meeting included groups of songs sung in both languages. A fiesta is being planned for the late spring.

GO-TO-COLLEGE CLUB

Membership in the Go-To-College Club is open to all senior high school students who are interested in education beyond the high school level. Through talks by the graduates of different colleges, and programs prepared by the club members, various aspects of college life are presented. The Club's purpose is to encourage its members to pursue higher education, to prepare them for better participation in college life, and to arouse and maintain interest in college training among students who might not otherwise go to college.

This year, the Go-To-College Club of Washington High School, in cooperation with the other Go-To-College clubs of the city, helped to sponsor the annual Christmas dance, the proceeds of which will provide a scholarship to the Seminary Junior College for a worthy student from one of the city's high schools.

SORORES CLUB

The Sorores Club, organized in 1932, is the oldest club in the Washington High School. The qualifications for membership are: excellence of character; ability in leadership; willingness to serve the school; and studious attitude toward class work. Miss Lena Lively has been the Sorores adviser since the club's organization.

The seven senior members, reinforced by twenty-three new ones began the year by selling greeting cards at the Teachers' Institute, but the club's major project was the donating and wrapping of Christmas gifts for the Children's Home.

SKETCH AND CRAFT CLUB

At least one place in the school, beauty and perfection walk hand in hand—the art room. It is there that students meet after school to study painting, designing, carving, and work with plastics. It is there they learn the proper ways to blend colors in harmony. Under the helpful suggestions of Miss Florence Van Nostrand, the Sketch and Craft Club of Wash High find adequate expression for their talents. The 48 members of the club are eager to learn to make beautiful things with just a few graceful strokes of the brush.

Money is being earned for materials by the sale of Alma Mater pencils and by sponsoring after-school dances.

LIBRARY CLUB

The Library Club under the direction of Miss Zara Siegel, buys books, supplies, and equipment for the library, and maintains a staff of eighteen Librarians as well as Library monitors. School librarians' duties vary from admitting pupils to the library to dusting books and shelves. They also check library slips, aid students unable to find material, and mark the cards of those who wish to borrow books.

The funds for the club are raised by operating the concession in the lunch room, at bas-

ketball games, and at the Teachers' Institute. The thirty members of the club are planning an author's birthday calendar and a book of local celebrities.

W CLUB

The Varsity Club is an organization of boys who have earned a letter in some sport. For the past nine years the club has aimed to promote friendship, loyalty, and cooperation among the athletes of Wash High. The members of the club work to furnish money to provide sweaters for all who have won varsity letters in competition.

KEY CLUB

The Key Club is a newly organized club at Wash High, which is composed of boys from grades 10, 11, and 12. To become a member, you must rank in the upper third of your class scholastically, be of good character, and be a willing worker in order to improve yourself, your school, and your community.

The objectives of the group are: to develop initiative and leadership; to provide experience in living and working together; to serve the school and community; to cooperate with the school faculty; and to prepare for useful citizenship. The club is sponsored by the local Kiwanis Club, with Dr. William A. Harris, Jr. as adviser.

USHER CLUB

"May I help you, sir? Right this way, please." And so another student service member guides a stranger to the proper seat at a football game, a basketball game, a wrestling match, a band concert, a play, a Commencement exercise, and every other activity that takes place at the Washington High School.

The Usher Club has 65 members, consisting of students of the junior and senior classes. Members are voted into the club on the basis of their scholastic rating, leadership, and willingness to take part in school activities.

STUDENT COUNCIL

"Of the students, by the students, and for the students" describes Student Council, governing body at the Washington High School. For the past four years, it has had as its objectives—the development of student responsibility, initiative, leadership, school pride, and pupil participation or management of extra-curricular activities. The Council consists of a representative from each of the thirty-eight homerooms who meet every two weeks.

Acting as an advisory board to the President, is the Executive Board. This board consists of the four officers and the chairmen of the six committees.

Members of the Executive Board are: Mike Sorice, James Funk, Alice Dubelle, Virginia Douglas, Gloria Casper, Robert Gvozden, Robert Laurine, Robert Vanek, Nick Demas, and John Lahosky.

Leading this organization since its beginning is Paul Kratt, who has done an excellent job.

Besides keeping the wheels of the regular Wash High activities in smooth working condition, Student Council sponsors the publication of the hand book, the purchase of new records for the school, decorations for the Christmas season, the sale of magazines, and in general all functions that affect the student body.

LITTLE PRESIDENT STAFF

The Little President, the student newspaper, is the voice of the students, and in a sense the spirit of high school life. Taking the Little President and the work that goes into each issue for granted is an easy thing to do.

There were stories to write, layout to make, copy to proof, and a hundred and one other little details that go into putting out a newspaper. There were ads to be solicited, finances to keep straight, and subscriptions to be secured. But the Staff was a competent one, and the policies of the Editor were carried out.

STUDENT OPERATORS' STAFF

The S. O. S. Club was organized in 1945 for the purpose of operating all audio-visual education equipment for the student body. It has a membership of sixteen students who show all films to the various classes of the Washington High School, play records at after-school dances, and keep our public address system in top condition.

JUNIOR HIGH SCHOOL CHORUS

This year with the addition of a new vocal music instructor at Wash High, a Junior High School Chorus of 100 voices was organized. Since its beginning in October of 1947 this group of boys and girls has presented programs before the Democratic Women's Council, the Current Events Club, Washington County Pomona Grange, and in cooperation with the other vocal and instrumental groups of the school, the Christmas assembly program.

MIXED CHORUS

The Mixed Chorus, under the directorship of Mrs. Etha McC. Richardson, was reorganized this fall. This group, composed of students in the Senior High School, must have been enrolled in a junior choral group before being admitted to Mixed Chorus. They have presented several musical programs to the student body. Accompanists are Lois Bigler, Marjorie Burig, and LaGene Day.

JUNIOR CHORUSES

The Junior choruses—both girls and boys—are all underclass students, selected for their interest in group singing. Both groups assisted in making the Christmas program a success. Accompanists for these groups are: Betty Humphries, Martha Clarke, and Patricia Dillard.

The purpose of the Association is to promote athletic competition among students, encourage good fellowship between groups, and widen acquaintances in school.

ALPHA HI-Y CLUB

The purpose of the Alpha Hi-Y is to create, maintain, and extend throughout the school and community high standards of Christian character.

Reorganized after a lapse of several years, the club has selected Mr. Reed J. Dunn as the club's adviser. Members are chosen by popular vote of the club, and only members of the Senior High School are eligible for membership. Meetings are held every other Thursday, alternately at the Y. M. C. WASH HIGH'S BAND

"Teams of Wash High, loyal and true"

How often those strains ring out from the bleachers as eager students loyally cheer their football team to victory, when the Wash High School Band crashes into the opening bars of the song. Every eye follows the blue and gold uniformed band as it steps lively up and down the field, weaving in and out of intricate maneuvers with startling precision. The band is a feature attraction of Washington High School's entire music course.

Once each year the band presents a complete program itself, when students heartily applaud the rendition of classical and semi-classical selections, indicating they, too, have captured some of the satisfaction arising from the culture of the ages.

The Washington High School Band was organized in the fall of 1927 by its present director, Paul E. Harding. Since its beginning, it has attempted to maintain high musical standards. This year it received new uniforms which contributed to the excellent shows at the football games last fall. The radio and press both at home and away praised the Wash High Band as one of the outstanding musical and marching outfits in the district. This was emphasized when the band was awarded first prize in the Armistice Day parade at Charleroi.

The annual concert was built around the twentieth anniversary theme. Band alumni, of which there are now approximately 500, expect to celebrate with a reunion and banquet sometime in the spring.

TUNE TIME

"Tune Time" directed by Harry S. Dorrington of the John B. Rogers Producing Company, was presented in our auditorium March 23 and 24. The 30th annual play of this type, "Tune Time" was a musical revue with a cast of 200 colorfully costumed students, dancing and singing in scenes depicting the different hours of the day. Humorous skits and choruses brought a program of humor and enjoyment to Washingtonians.

Beauty and the Beef

"Beauty and the Beef" was presented November 25 by the members of the Senior Class under the direction of Gaylord Hartman.

The play is a three-act comedy about the Allen family. Ginny, their daughter, finds herself and her friends involved in many amusing incidents. Throughout the play one hilarious situation follows another until matters seem utterly helpless. Ginny has mixups with her ideal football hero, her family, her teachers, and her neighbors, which get her into situations that take a lot of explaining. There is a laugh in every line.

Queen for a Day

"Queen for a Day", the second play presented by the Class of 1948 was given April 23. Based on the hilarious stage version of the radio program of the same name, this play brought to the audience a little of what actually takes place on the regular program in Hollywood.

Ronald Jacobs was cast as Jack Bailey, with five senior girls serving as candidates for the title of Queen. The introduction of each candidate, the final selection of the Queen by the Ladies of the Grand Council, and an amusing mix-up in identities, all made this one of the best Senior plays produced at Wash High. This was definitely a different type comedy, and thoroughly enjoyed for its humor and originality.

SPEAKING OF PICTURES

IN APPRECIATION

There are many people behind the scenes of the production of a yearbook. To these, the staff wishes to give its sincere thanks for the work they have done and the headaches and worries they have saved us.

First, our thanks to Mr. James R. MacWilliams of the Jahn and Ollier Engraving Company, who has helped with suggestions about our theme and with our engravings. Then there is Mr. Walter Wyant of Kurtz Bros. who helped put our theme on paper. Mr. Ron Christman, Jr., our smiling photographer, made his time our time, and spent many trying hours getting our candid and group shots as we wanted them. Mrs. John Harbaugh took our Senior pictures; Charles Arnold furnished us with the front cover photograph and the air view of our school; our faculty collected the money for subscriptions.

All these and many more have aided in the production of this year's book—and the thanks and recognition given here is only too inadequate for the help they have given to the 1948 Little Prexie.
